WWW.ACTIONCAN.COM

Action Can manufacture a range of 60 specialist aerosols formulated for use by industrial engineers and those who demand professional grade performance. The range covers all popular product types including cleaners, degreasers, lubricants, oils, anti-corrosion products & paints, and metal working aerosols.

For the full range visit www.actioncan.com

AC-90

- Multi-purpose spray lubricant and cleaner
- Strong water and moisture displacing action
- Penetrates rust and corrosion
- Cleans and protects all metals against corrosion
- Suitable for use on electronic ignition systems
- Does not contain silicone or CFC
- Also available in H1 & 3H Food Grade
- 500ml aerosol
- 425ml aerosol
- 200ml aerosol
- 5 Litre Tin with empty metal hand sprayer

ZG-90

- Colour matched to newly galvanized steel
- Available in colours
- Extremely fast drying
- Long term protection against rust and corrosion
- One coat application, requires no primer
- Two actuators for varied spray patterns and application in windy exterior conditions
- Zinc purity 98%
- 500ml aerosol with 2 nozzles
- Product manufactured and tested to:
 - ASTM B117 (Hot salt spray)
 - BS AU 148:PT14 1969 (Natural Weathering)
 - DIN EN ISO12944-1 (Corrosion Protection of Steel Structures)

AC-90
MULTI-PURPOSE LUBRICANT.
 Lubricates moving parts, cleans machinery parts and effectively displaces moisture.
 Product code: 1839

CD-90
CHAIN & DRIVE SPRAY.
 – Multi-viscosity chain and drive.
 – Strong
 – Anti-fling properties
 – Ideal for wet and damp conditions
 Product code: 1797

RP-90
RAPID PENETRATING OIL.
 Frees corroded nuts and bolts from farming equipment and machinery.
 Product code: 1822

WG-90
WHITE LITHIUM GREASE WITH PTFE
 White spray grease with added PTFE for general lubrication of moving parts such as bearings and linkages.
 Product code: 1820

BD-90
DRIVE BELT DRESSING SPRAY.
 Restores belt grip. Ideal for wet or outdoors belts.
 Product code: 1658

ZG-90
COLD ZINC GALVANISING PAINT.
 – Fast drying.
 – Available in colours.
 – Long term protection against rust and corrosion.
 Product code: 1785

RP-90

- Excellent penetrating power
- Fast acting releasing capability
- Protects against rust and corrosion
- Reduces friction and wear
- 500ml aerosol

CD-90

- Multi-viscosity capability
- Ideal for wet and damp conditions
- Anti-fling properties
- Strong anti-rust protection
- Highly water resistant and repellent
- 500ml aerosol

BD-90

- Restores grip to drive belts
- Reduces belt slippage and glazing
- Prolongs belt life
- Prevents belt cracking
- Ideal for wet or outdoors belts
- Displaces moisture
- 500ml aerosol

WG-90

- General purpose grease
- Reduces wear and friction
- Heat and water resistant
- PTFE additive for superior long lasting performance
- Corrosion inhibitor built into formulation
- White colour for easy identification of treated components
- 500ml aerosol
