

LW-90 PROFESSIONAL MULTI-PURPOSE WIPES

LW-90 are waterless, multi-purpose cleaning wipe for cleaning hands, tools and hard surfaces. Useful for removing all types of general soiling, light grease, oils, wet and semi-cured paints, sealants, adhesives, bitumen and more. The large wipes are pre-moistened and disposable for use where access to water and soap facilities is not available: ideal for mobile service engineers, multi-site facility operatives, transit tradespeople and professionals. Packed in a useful portable tub with an open and close flap to keep wipes “fresh” and provide quick, easy dispensing.

KEY FEATURES

- Professional-grade wipes for the removal of general soiling, grease residue, light oils, paints, sealant and more
- Multi-purpose: use on hands, tools and even as a hard surface cleaner
- Ideal for use where washroom facilities are not available
- Wipe size: 195mm x 300mm
- Tub contains 90 wipes
